4. I serve as in-house legal counsel for NiSource Corp., whose subsidiaries include Columbia Gas Transmission. Columbia Gas Transmission is an interstate pipeline system that engages primarily in the transportation and storage of natural gas in various states, including West Virginia. NiSource Corp. also engages in other energy related endeavors in various states, including electricity and natural gas distribution. Therefore, I have indicated several categories, although I do not know the percentage of income derived by my employer from each category, and whether 20% or more of what I am paid is derived from any one of those categories.

7. I received in excess of \$100 in bonuses, meals, state bar and membership dues from my employer, NiSource Corp., but it is my understanding that such benefits are employee benefits and not gifts as contemplated in this section.

- I have attended receptions/dinners hosted by various groups for all legislators or groups of legislators. To my knowledge, none of these receptions or dinners resulted in over \$100 in value to me from any one group. In addition, I believe that some of these receptions or dinners may be reportable by the group that sponsored them.
